

Banana Chocolate Chip

Ingredients

- 3 ripe bananas
- 3 table spoon peanut butter
- 1 dash vanilla extract
- 2 table spoon chocolate chips

Instructions

Do ahead

1. As your bananas are ripe, peel and cut them into slices and lay the slices on a baking sheet/tray. Freeze until firm, an hour or more. Transfer to a freezer bag until you need them - they'll keep a good month or more.

When ready to make the ice cream

1. Put the frozen bananas, peanut butter and vanilla in a blender and blend until smooth. Add the chocolate chips and pulse a few times so they break up slightly and mix in. Serve either straight away or transfer to a container and freeze until needed.
